----------------------	-------------------	-------------------

Resources: Total assets of the Foundation amounted to \$31,685,695 as of August 31, 2009.

Methods of Giving: The Foundation offers opportunities for giving in several ways. Gifts of cash are the most common type of support. Gifts of securities, real estate, insurance and personal property are received. For those who wish to receive life income, several types of agreements, such as charitable remainder trusts and gift annuities can be used. In addition to these gifts, the Foundation can be named beneficiary in a Will.
